GREEN LAKE – Green Lake Spa celebrates a milestone

Evensong Spa, wrapped in tranquility and set on wooded acres just feet from the beautiful shores of Green Lake is celebrating their five year anniversary this September. Evensong was constructed during the summer of 2006 and officially opened its doors for business that fall. The spa has a Frank Lloyd Wright-inspired exterior and an interior filled with deluxe surfaces and furnishings. Particularly impressive and unique to Evensong is the stunning circular labyrinth created out of slate inspired Sant'Agostino floor tiles.

For the past five years the Evensong Spa team has had the pleasure of serving clientele from all over. Evensong provides a multitude of services including individual services and day packages for those who are close by and a variety of overnight packages for the travelers. “Our clientele is what makes us who we are. We hope our next five years are as exciting and look forward to providing the best services and experiences possible,” said Druellen Kosti, Spa Director.

In celebration of its five year anniversary, Evensong Spa will hold an open house September 1 from 4-7 p.m. The open house event will take place at Evensong Spa, located at 410 Trillium Circle Green Lake, WI.

Evensong Spa offers a wide variety of treatments ranging from facials and massages to pedicures and body wraps. Spas of America recently named Evensong Spa one of the top 50 spas in the nation.
